Dear Gwen,

Congratulations! The 2008 AKC/Eukanuba National Championship once again successfully showcased all that is wonderful about the sport of purebred dogs, our Parent Clubs and the American Kennel Club.

On behalf of the Board of Directors, we want to personally thank your club for supporting the AKC Meet the Breeds program. With over 145 Parent Clubs participating in the event, your sponsorship of a breed booth played a major role in what makes this show special and unique.

We would also like to extend our appreciation to the 125 parent clubs who participated in the Parent Club Medallion Program. These beautiful medallions have been very well received and are most certainly collector's items. We look forward to your club's continued support.

Enclosed is a copy of the Eighth Annual AKC/Eukanuba National Championship show guide as a token of our appreciation for your hard work, creativity and dedication to educating the public about the dogs we love. We look forward to hosting your booth again in December 2009 when the show returns to Long Beach, CA for our 125th Anniversary Show!

Sincerely,

Ronald H. Menaker
