

American Rottweiler Club Litter Nomination Form: 20 ____ Futurity

The Futurity is open ONLY to Breeders who are Members of The American Rottweiler Club and in good standing at the time of the Litter Nomination. If the litter has multiple breeders, only one breeder is required to be an ARC Member, but all of the breeders must be in good standing with the American Kennel Club. Both parents of the litter must meet all the requirements of the ARC Mandatory Practices for breeding.

Litter must be nominated after it is bred and BEFORE THE WHELPING DATE. Postmark on envelope transmitting nomination establishes date of nomination and must be no later than midnight the day prior to the whelping of the litter.

The nomination of each individual puppy must be made after it is whelped, but BEFORE IT IS FOUR MONTHS OLD.

ARC Futurity Rules and ARC Mandatory Practices are available on www.amrottclub.org or from the Futurity Chairman.

FOR 2011 FUTURITY ONLY

Litter Nominations will be accepted from non-ARC members provided the nomination form is accompanied with an ARC Membership Application and a separate check for dues. Breeder may be asked to provide additional information to determine if the parents of the litter met the requirements of the ARC Mandatory Practices at the time of the breeding of the nominated litter. Should the Membership Application be rejected, a full refund will be given for both the Litter Nomination and for any puppies nominated. However, if it is determined that this breeding did not comply with the ARC Mandatory Practices, all nomination fees, litter and puppy, will be forfeited. ARC Membership Application is available on www.amrottclub.org or from the Futurity Chairman.
