

AKC TITLE RECOGNITION PROGRAM: 2011 THRU 2016

Dock Diving Titles

As of May 31, 2014, the AKC recognized titles earned North America Diving Dog events in 2 types of competition: Distance Jumping and Air Retrieve.

In the Distance Jumping competition, there are two classes -- Open Class (any size dog welcome) and the Lap Class (for dogs under 16" at the withers). A division title is earned by accumulating five qualifying jumps within one division. There are five divisions ranging from Novice to Elite. After earning the initial division title, dogs can earn Advanced and Excellent level titles by completing additional qualifying jumps.

In the Air Retrieve competition, a dog and handler team earns one qualifying grab towards a division title based on their longest grab in the Air Retrieve. Like distance jumping, a division title is earned by accumulating five qualifying grabs within one division, and there are five divisions ranging from Novice to Elite. Additional Advanced and Excellent titles can be earned with additional qualifying grabs.
