

Apply For An ARC Education Grant – Applications Due 7/1/16

Are you or someone you know actively involved in public education in regard to Rottweilers and/or dogs in general? ARC has an Education Grant Program which awards money each year to individuals to be used solely for the purpose of direct expenses for approved supplies (excluding transportation) for public education materials as outlined in this grant application. Education Grants are awarded to members and non-members, although members are given first preference.

The complete Education Grant Program and the Application are available at:
