An American Rottweiler Club Sieger Show is held under the auspices of the American Rottweiler Club. The purpose of a Sieger Show is twofold: to highlight the performance aspect of the Rottweiler; to have a venue where both docked and natural tailed Rottweilers may compete.

The Sieger Show is a special event using a different judging style where all exhibitors receive a written critique describing breed type, structure, and description of temperament and gait.

The show will use the AKC Rottweiler standard; however, the tail on natural-tailed dogs will be critiqued using the FCI Standard for the Rottweiler. No AKC championship points will be awarded, nor will the AKC recognize any awards or titles awarded at the show.

Please note that while no awards from this show will be recognized by AKC, the event itself has been approved by AKC as a Parent Club Educational Event and as such, the American Rottweiler Club requires the Host Club, Sieger Show Committee, and exhibitors be familiar with AKC Rules and Regulations. The ARC Sieger Show Procedure shall apply to all persons and dogs. All American Kennel Club Dog Show Regulations and the Constitution and Bylaws of the American Rottweiler Club shall apply to all persons and dogs as well, unless the ARC Sieger Show Procedure directs otherwise. A copy of each of these shall be at the site of the Sieger Show and available to the judges, Sieger Show personnel and exhibitors. It is the responsibility of each exhibitor to be familiar with these materials prior to the Sieger Show (AKC: www.akc.org; ARC: www.amrottclub.org). Be aware that any dog that attacks or attempts to attack any person during a Sieger Show must be excused and a notation will be made to that effect. Particular attention must also be paid to the following AKC rule adopted in October, 2004.

Any dog, that in the opinion of the Event Committee, attacks a person or a dog at an AKC event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified. When the dog is disqualified by the Event Committee pursuant to this section, a report shall be filed with the Executive Secretary of The American Kennel Club. The disqualified dog may not again compete at any AKC event nor be on the grounds of an AKC event unless and until, following application for reinstatement by the owner to the American Kennel Club, the owner receives official notification in writing from the AKC that the dog’s eligibility has been reinstated.

Information On Entering The Show

1. With the exception of the Kennel, Stud Dog, Brood Bitch, or Junior Handler classes, no dog may be entered in more than one class.
2. If a dog is eligible for more than one class, the owner may determine which class the dog may be entered.
3. Once a dog is eligible for the Champion or Gebrauchshunde class, the dog may not enter any other class except those stated in #1 above and Veterans, age permitting.
5. Entries which do not have the required documentation on file at check-in will be moved to the open class and may receive a critique but will not be eligible for class placement.
6. If a dog achieves a title after the close of entries that makes him/her eligible for a class other than the one that they were originally entered, proof must be presented to the show secretary at least ½ hour prior to the start of that day’s judging.
7. If a dog is being entered in more than one class, a separate entry form must be completed for each class.
8. In case of an error in regards to age on the entry form, those in the puppy classes or youth classes will be moved to the appropriate age class; however, the show secretary must be notified at least ½ hour prior to the start of that day’s judging.
9. Any individual who is currently suspended from participating in AKC or FCI events will not be eligible to enter or show any dogs, including those owned or co-owned by that individual in an ARC Sieger Show.
10. Regardless of documentation, dogs with missing teeth (other than allowed by the current AKC standard) will be considered a disqualification at an ARC Sieger Show. Broken teeth, still visible in the mouth, will be evaluated at the judge's discretion.

Ring Procedure & Guidelines

1. The ring steward will call all entries to the class. Two ring stewards are recommended. Absentees are marked in the catalog. The ring stewards and show secretary will keep a marked catalog or Judges Check–In Sheet.
2. All exhibits are presented in a natural stance; no hand stacking is permissible in any class.
3. “Free stacking” may be used to present the dog using a small toy or ball.
4. Food may not be used for baiting the dog and is not allowed either inside or outside the ring.
5. After the initial examination for dentition and disqualifying faults, a verbal critique is conducted on each class entry and recorded verbatim on the critique form. Positive aspects as well as any faults or deviations from the standard are noted on the critique, such as any missing teeth, pink gums, light eyes, etc.
6. For Rottweilers born in countries where docking is forbidden by law or where a breeder has chosen not to dock; the tail must be left in its natural condition. Dogs whose tails are left undocked may only be docked as a result of a medical necessity.
7. The tail on natural-tailed dogs will be critiqued using the FCI Standard for the Rottweiler.
8. There will be no judging preference between docked and natural tailed dogs.
9. Once all exhibits are critiqued, the judge will gait each class for ratings and placements.
10. Dogs will be run long enough to allow the judge to completely evaluate gait and structure.
11. Changing runners and double handling from outside of the ring is encouraged.
12. During the gaiting process, the judge at his/her discretion may rate an exhibit and declare, “No further judging is required”.
13. All remaining exhibits in each class are evaluated for final rating and placement. Placements are 1-4 with corresponding rating.
14. The ring steward will mark all placements and ratings in the show catalog or Judges Check-In Sheet before dismissing the class.

   The judge, when time permits, will sign the critiques after the ratings and placements. The club will retain a copy of all critiques.
15. Judge’s decision on the critique and placement is final.
16. Sport casual attire and comfortable running shoes are recommended.

ARC Standing Committee
ARC will maintain an ARC Sieger Committee consisting of a Chairperson and 2 others, all of whom must be ARC members in good standing. This Committee will periodically review this procedure and make recommendations to the ARC Board if any changes are warranted. They will also serve in an advisory capacity to the Host Club of any National or Regional Show. Members of this Committee may also serve on an individual Sieger Show Committee.

Hosting The Show
1. A National Sieger show may be hosted by one of the following:
   A. The American Rottweiler Club.
   B. The Host Club of the National Specialty Show.
   C. A local/area Rottweiler club.

2. A Regional Sieger show may be hosted by one of the following:
   A. The American Rottweiler Club.
   B. A local/area Rottweiler club.
   C. A group of ARC members in good standing. The Chairman and at least 2 other Committee Chairmen are required to be members of the American Rottweiler Club; however, it is preferred that all Committee Chairmen be ARC members. **Note:** all references in this procedure to Host Club refer to a group of ARC members as well.

3. The Sieger Show may be deemed either the ARC National Sieger Show or an ARC Region (# of region) Sieger Show. The Regions are as follows:
   - REGION II: Indiana, Michigan, New Jersey, Ohio, Pennsylvania.
   - REGION III: Arizona, New Mexico, Oklahoma, Texas.
   - REGION IV: Delaware, Kentucky, Maryland, North Carolina, South Carolina, Tennessee, Virginia, West Virginia.
   - REGION VI: Alaska, California, Hawaii.
   - REGION VII: Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, Wisconsin.
   - REGION VIII: Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi.

   There may be only one National Show each year; however, there will be no limit of how many Regional Shows each Region may be allowed to host each calendar year. Within a region the shows must be at least 1 month apart OR at least 250 miles apart and may not be held on the same weekend, unless they are either held by the same club and/or held in the same location; e.g. Club A hosts a Regional Sieger on Saturday at ABC Fairgrounds and Club B hosts a Regional Sieger at the same Fairgrounds on Sunday. Also any Regional Sieger Show in the same region hosting the National Sieger Show must be held at least 1 month before or after that National. Back-to-back Regional Sieger Shows hosted by the same club will be considered as a single event.

4. The Host Club would need to ‘apply’ to the ARC Board for approval of all ARC Sieger Shows and events. There is no formal application, but when asking for approval all particulars (names of Sieger Show Committee members, name of Show Secretary/Superintendent, names of all Committee Chairs (catalog, trophy, etc.), date, location, judges, optional events/classes, etc.) must be provided. Regional Shows must also state whether or not they will be offering Trophies. This information must be submitted to the ARC Secretary no later than 9 months before closing of the event for a National and 4 months for a Regional. The ARC Board reserves the right to ask for additional information before voting on a request to host a Sieger Show.

5. The American Rottweiler Club must apply to AKC to hold each show under their AKC license as a Parent Club Educational Event. Approval must be received from AKC before show is allowed to be advertised. If a Host Club is an AKC licensed club, they may also use this as an Educational Event for credit with AKC.

6. The show may be either a one or two day event.
7. A maximum of 80 dogs per day adjudicated by one judge. The following apply:
   - One day show: A total entry for one judge is 80; if two judges are used the total is 160.
   - Two day show: One judge total entry is 160; if two judges the total is 320.
   An exception to the number of dogs judged can be made if agreed to by the judge(s).
8. The American Rottweiler Club Measurement Survey and/or Evaluation Seminar may be held at this event.
9. The Host Club will appoint a minimum of three individuals to act together as the Sieger Show Committee. At least two of these individuals must be ARC members. The Committee in turn will appoint the Sieger Show Chairperson. If ARC is hosting the Show, the ARC Board will appoint both the Sieger Show Committee and Chairperson.

10. Other Committees may be appointed by the Sieger Show Committee to support with the planning and running of the show. Committee Chairs and members of these committees need not be ARC members.

11. No person should serve as a translator with a judge under whom he has an entry, or under whom, in the course of the day’s judging, such an entry may become eligible to compete.
   A. Any other restrictions as to who on the Show Committee can or cannot enter/handle a dog is at the discretion of the Host Club, although it is recommended that the Show Secretary and/or Chairman does not personally handle any dog inside or outside the ring.

12. The entry fees for the show will be set by the ARC Board if it is an ARC-hosted show. The Host Club for a National Sieger Show will set the entry fees, with one exception: there will be no fee for the Junior Handler Classes. A Regional Sieger Show will also set the entry fees, with one exception: they shall either not charge a fee for the Junior Handler Classes OR charge a reduced fee not greater than 50% of the entry fee for regular classes.

13. If hosted by the American Rottweiler Club, ARC will assume all expenses and retain all profits.

14. If the Show is not hosted directly by ARC, then the Host Club will sign either an ARC National or Regional Sieger Show Contract within 30 days of receiving ARC Board approval for the event. The Host Club will assume all expenses and retain all profits after the ARC Event Fee has been paid.

15. For a National Sieger Show, ARC agrees to provide the Host Club with an interest free loan of $1,500.00 nine (9) months before the event. The Host Club agrees to repay ARC the $1,500.00 loan, if borrowed, within thirty (30) days from the last day of the show. Failure to do so may result as fines as outlined in the National Sieger Show Contract.

16. For a National Sieger Show, ARC will either give the Host Club $1,000.00 towards the purchase of trophies OR provide a trophy/memento (choice is up to ARC) for the following: Sieger; Siegerin; Youth Sieger; Youth Siegerin; Most Beautiful Male; Most Beautiful Female; Best Male Puppy; Best Female Puppy; 1st place in all regular & optional classes, including Juniors. ARC will offer Large Armetale to Sieger/Siegerin and Medium to Youth Sieger/Siegerin. In addition, the ARC Junior Showmanship Committee will provide a gift bag for all entered in the Junior Handler classes.

Credit must be given to ARC in both the Premium List and Catalog for either the monetary donation or an actual trophy/memento. If ARC supplies trophies/mementos they will be responsible for the cost of shipping to the National Specialty. Any unused trophies/mementos must be returned to the ARC Trophy Inventory Chairman within 60 days of the end of the Sieger Show; the Host Club will be reimbursed by ARC for the cost of the return shipping.

17. ARC will provide $50 towards trophies for an ARC Regional Sieger Show for Puppy classes and $50 for Adult classes. An additional $50 will be provided if the show includes the optional Junior Handler classes. However, back-to-back events hosted by the same club will be considered as single events. Also, any events held by the same club within a quarter (January – March; April – June; July – September; October – December) will be considered back-to-back events. (Example: Club X hosts Regional Sieger on January 15th and then another on March 20th; only one show will be provided with an ARC trophy donation.)

   A. At the option of the ARC Junior Showmanship Committee, they may provide a gift bag for all entered in the Junior Handler classes, if offered.
   B. Credit must be given to ARC in both the Premium List and Catalog for this donation. This money will automatically be sent to the Host Club by the ARC Treasurer after the Host Club submits their application for the Regional as long as when applying the Host Club states they will be offering Trophies and/or Rosettes/Ribbons. If for some reason the Regional was not held, the Host Club would be required to return the funds to ARC.

18. For a National Sieger Show, a $3.00 ARC Event Fee per entry, excluding Junior Handler entries, is to be paid to the ARC. This fee will be sent to the ARC Treasurer along with a catalog of total entries, 30 days of the last day of the show. Failure to do so may result as fines as outlined in the National Sieger Show Contract.

19. For a Regional Sieger Show the Host Club shall add the total number of entries in all events and deduct 100 from the total entries*. The remaining number of entries are subject to an Event Fee of $2.00 per entry payable to the ARC (example: 120 total entries, $40.00 is payable to ARC). This amount is to be paid within 30 days from the last day of the show. Payment should be sent to the ARC Treasurer along with a catalog of all events. Failure to do so may result as fines as outlined in the National Sieger Show Contract. (*** If the Host Club offers Junior Handler classes and does not charge an entry fee, these classes would be excluded from total number of entries.)

20. All National & Regional Sieger Show participants shall be subject, but not limited to, the following rules:
   A. The use of bite sleeves and/or agitation for protection training is forbidden on hotel and show grounds unless it is specific to an activity that is hosted by ARC.
   B. Owners/Handlers, whether exhibiting or not, are responsible for keeping their dogs under control at all times and MUST clean up after them on hotel/motel show grounds.
   C. Dogs must be on leash at all times.
   D. There will be no bathing of dogs in hotel/motel rooms.

ARC Sieger Show Procedure 4-10-18 Page 5 of 10
E. Anyone who violates these rules may be subject to an Event Committee Hearing. A notice to this effect must be included in the Premium List, the Catalog and in the Exhibitor Agreement on the reverse side of the entry form. (See appropriate Sections below).

Hosting The Show (continued)

21. ARC honors all of its members and the loss of any is a loss to all, so ARC will not dedicate a Sieger Show to any one individual. However, the Host Club may dedicate the show to any individual or individuals of their choosing, provided it is clearly stated in both the Premium List and the Catalog that the dedication is being made by the Host Club.

22. A National Sieger Show hosted by ARC may use the Sieger Show Logo (See Exhibit 2) in show advertisements, catalog, website, trophies and/or merchandise. The only change allowed would be the updating of the year. Should another club host the National Sieger Show, they would have to apply to the Board to use the Logo.

Judges

The following procedure is to be followed for selecting the Judge(s) for ARC Sieger Shows:

1. All judges must be recognized by the AKC, FCI or ADRK.
2. Judges will be selected by the Sieger Show Committee and approved by the ARC Board.
3. Each year shall be treated individually and there shall be no carry over from year to year.
4. Once a judge has judged an ARC National Sieger Show, three years must pass before that individual is again eligible to judge a National show. For example, if he/she judges in 2010, he/she would not be eligible to judge again until 2014.
5. A judge is only eligible once every 3 years in each Region as per above example. However, a person may judge in 2 or more different regions 1 year and a different region the next, etc. A judge who is judging at a National Sieger Show would not be allowed to judge a Regional Sieger Show during the same year.
6. Once a judge has accepted the assignment, he/she will be sent a copy of this ARC Sieger Show Procedure, “Judging The ARC Sieger Shows: Nationals & Regional’s”, as well as both the AKC Rottweiler Standard and the tail portion of the FCI Standard. They should also either be sent a copy of AKC Dog Show Rules and the ARC Bylaws or given the web addresses where this information may be accessed.
