

TOP TEN AGILITY: 1994 THRU 1997

AKC began offering Agility in 1994. ARC began tabulating Agility Top 10 in 1995. The method for placement tabulations has been the method from the beginning. However, the Awards have been based on different divisions and levels throughout the years. The ones shown below were in effect from 1995 thru 1997.

The points for the ARC Top Ten Agility Awards are based on class placements and wins at AKC licensed trials from January 1st through December 31st, as reported in the AKC Awards publication. There is only one level for Agility which encompasses the Novice, Open & Excellent Classes.

PLACEMENT The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 2nd in a Novice class that had 15 entries, the dog would earn 13 points (15 total class entries minus 2 (1st place dog & dog itself).
