

## TOP TEN AGILITY: 1999 THRU 2002

AKC began offering Agility in 1994. ARC began tabulating Agility Top 10 in 1995. The method for placement tabulations has been the method from the beginning. However, the Awards have been based on different divisions and levels throughout the years.

The points for the ARC Top Ten Agility Awards are based on class placements and wins at AKC licensed trials from January 1st through December 31st, as reported in the AKC Awards publication. There are 6 levels: Novice Standard; Open Standard; Excellent Standard; Novice Jumpers With Weaves; Open Jumpers With Weaves; Excellent Jumpers With Weaves. (In 1998, the year AKC introduced the Jumpers With Weaves Classes on September 1st, ARC had only one Jumpers With Weaves level.)

**PLACEMENT** The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 2nd in a Novice class that had 15 entries, the dog would earn 13 points (15 total class entries minus 2 (1st place dog & dog itself).

Please Note that the Statisticians from 1999 thru 2001 handled tie placements differently from how they had been handled in the past and from the other venues. If there were 2 dogs tied for 3<sup>rd</sup> place, they counted them as 3<sup>rd</sup>, then skipped 4<sup>th</sup> place and went on to 5<sup>th</sup>. In 2002, the ARC Board passed the following: If one or more dogs/Juniors receive the same number of points, they will be considered tied for that place and the dog(s) with the next number of points would be in the next place, i.e. dog A & B have 60 pts. and are tied for 3rd place; dog C has 59 pts., he will be in 4th place.

### 2002 Top Ten Agility Awards

Compiled by Mark Kreidler

**2002 Agility Titles:** 1 Master Agility Champion - **OTCH MACH ESP Aces Levi's Topgun Radar UDX** (D) Elaine Swancer; 37 Novice Agility; 26 Open Agility; 18 Agility Excellent; 5 Master Agility Excellent; 40 Novice Agility Jumpers; 34 Open Agility Jumpers; 14 Excellent Agility Jumpers; 2 Master Excellent Jumpers With Weaves;
