

TOP TEN AGILITY: 2007 THRU 2015

AKC began offering Agility in 1994. ARC began tabulating Agility Top 10 in 1995.

The points for the ARC Top Ten Agility Awards (Standard & Jumpers With Weaves) are based on class placements and wins at AKC licensed trials from January 1st through December 31st, as reported in the AKC Rottweiler Award Reports. There are 6 levels of awards: Novice Standard; Open Standard; Excellent/Master Standard, Novice Jumpers with Weaves; Open Jumpers with Weaves; Excellent/Master Jumpers with Weaves, with Regular & Preferred classes being combined at each level. The points are calculated as follows:

PLACEMENT	The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 2nd in a Novice Preferred 20" class that had 15 entries, the dog would earn 13 points (15 total class entries minus 2 (1 st place dog & dog itself).
HIGH IN TRIAL	<u>This is counted at the ARC National Specialty - Armetale Day ONLY.</u> A HIT win is calculated as minus 1 point from the shows total entry (Standard - Regular & Preferred and Jumpers With Weaves - Regular & Preferred Classes only) as listed in the AKC Rottweiler Award Reports. The winner's name of this award will be taken from the ARC National Specialty Supplement.
RESERVE HIT	<u>This is counted at the ARC National Specialty - Armetale Day ONLY.</u> A Reserve HIT win is calculated as minus 2 points from the shows total entry (Standard - Regular & Preferred and Jumpers With Weaves - Regular & Preferred Classes only) as listed in the AKC Rottweiler Award Reports. The winner's name of this award will be taken from the ARC National Specialty Supplement.

A dog must have a minimum of 10 points to be in the Final Top Ten.

AGILITY – FAST & TIME 2 BEAT

The American Rottweiler Club does not calculate statistics for the Agility FAST or Time2 Beat Classes. These classes will not be eligible for either the High In Trial or Reserve High In Trial at the ARC National Specialty, nor will the number of entrants be used to calculate the total number of entries for the High In Trial and Reserve High In Trial awarded to Agility – Regular and/or Jumpers with Weaves.

This has been the method for tabulations since the beginning. However, the Awards have been based on different levels throughout the years. The levels shown above are the current ones and have been since 2007. Also, in 2007 the minimum point requirement as shown above was added.

Note: Effective 1/1/13 AKC changed the names of some of the classes, although the requirements remained the same.

Letter after GCH indicates the Dog's/Bitch's Grand Championship Achievement Level: Platinum; Gold; Silver; Bronze.
