

TOP DOG CARTING – SINGLE & TEAM: 2019

ARC's Carting Program began in 2000. In 2006, ARC began tabulating Top Ten Carting Awards. The method for tabulations is:

The points for the ARC Top Ten Carting Awards are based on class placements and wins at ARC approved Carting Tests from January 1st through December 31st, as reported to the ARC Carting Coordinator. There are 6 levels of awards: Started; Intermediate; Excellent; Started-Team; Intermediate -Team; Excellent-Team. The points are calculated as follows:

PLACEMENT	The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 1st in a Carting Started class that had 10 entries, the dog would earn 9 points - 10 total class entries minus 1 (dog itself).
HIGH IN TRIAL	A HIT win is calculated as minus 1 point from the test's total regular entry as reported to the ARC Carting Coordinator.
RESERVE HIT	<u>This is counted at the ARC National Specialty - Armetale Day ONLY.</u> A Reserve HIT would be calculated as minus 2 points from the test's total regular entry as reported to the ARC Carting Coordinator.
TEAMS	A team counts as one entry.

Dogs must have a minimum of 5 points to be in the Top Dog Awards in the Carting Started and Carting Intermediate Levels; in Carting Excellent and all Team Levels, there is no minimum.

This has been the format for tabulations since the beginning. However, in 2006 there was not any minimum point requirement to be in the Carting Top 10, but in 2008, that was changed to the minimum point requirement as shown above.

2019 Top Dog Carting Awards - Single & Team

Compiled by Dr Tommy Caisango
