CONFORMATION

2024 TOP Rottweilers

The ARC Top Twenty and Top 10 Dogs and Bitches Conformation Awards are based on the number of Rottweilers defeated through Best of Breed and Best of Opposite Sex wins at AKC licensed shows from January 1st through December 31st, as reported in the AKC Rottweiler Award Reports. The number defeated is calculated as follows:

BOB Number of Rottweilers in competition, minus 1.

BOS Number of Rottweilers in competition of the same sex, minus 1. Should the BOS defeat or be the Best of Winners, then both sexes of class entries are counted, plus the number of Specials of the same sex, minus one.

SELECT Rottweilers receiving an ARC Select Award at the ARC National Specialty receive 5 points less than winner of Best of Opposite Sex. The Rottweiler Dog & Bitch receiving an AKC Select at the ARC National Specialty receive 3 points less than winner of Best of Opposite Sex. No points are awarded for receiving an AKC Select at any other shows.

OBEDIENCE

2024 TOP Rottweilers

OBEDIENCE

The points for the ARC Top Dog Obedience Awards are based on class placements and wins at AKC licensed Obedience Trials from January 1st through December 31st, as reported in the AKC Rottweiler Award Reports. There are 6 levels of awards: Novice; Open; Utility; Preferred Novice; Preferred Open; Preferred Utility. The points are calculated as follows:

PLACEMENT

The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 1st in an Open B Obedience class that had 10 entries, the dog would earn 9 points (10 total class entries minus 1 (dog itself)).

HIGH IN TRIAL

A HIT win is calculated as minus 1 point that from the show's total regular or preferred entry as listed in the AKC Rottweiler Award Reports.

RESERVE HIT

This is counted at the ARC National Specialty - Armetale Day ONLY. A Reserve HIT would be calculated as minus 2 points from the show's total regular or preferred entry as listed in the AKC Rottweiler Award Reports. The winner's name of this award will be taken from the ARC National Specialty Supplement.

Note: Regular High In Trials are based on regular obedience classes only and Preferred High In Trials are based on preferred obedience classes only. Optional titling and non-regular classes are not counted for either Regular or Preferred High In Trial.

RALLY

2024 TOP Rottweilers

RALLY: The points for the ARC Top Dog Rally Awards are based on class placements and wins at AKC licensed Rally Trials from January 1st through December 31st, as reported in the AKC Rottweiler Award Reports. There are 4 levels of awards: Novice; Advanced; Excellent; Master (Master effective 1/1/18). The points are calculated as follows:

PLACEMENT: The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 4th in an Advanced A class that had 23 entries, the dog would earn 19 points (23 total class entries minus 4 (1st, 2nd & 3rd place dogs & dog itself).

THERE ARE NO HIGH OR RESERVE HIGH IN TRIALS IN RALLY, EVEN AT THE NATIONAL SPECIALTY.

AGILITY

2024 TOP Rottweilers

AGILITY

The points for the ARC Top Dog Agility Awards (Standard & Jumpers With Weaves) are based on class placements and wins at AKC licensed trials from January 1st through December 31st, as reported in the AKC Rottweiler Award Reports. There are 6 levels of awards: Novice Standard; Open Standard; Excellent/Master Standard, Novice Jumpers with Weaves; Open Jumpers with Weaves; Excellent/Master Jumpers with Weaves, with Regular & Preferred classes being combined at each level. The points are calculated as follows:

PLACEMENT

The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 2nd in a Novice Preferred 20" class that had 15 entries, the dog would earn 13 points (15 total class entries minus 2 (1st place dog & dog itself).

HIGH IN TRIAL This is counted at the ARC National Specialty - Armetale Day ONLY. A HIT win is calculated as minus 1 point from the shows total entry (Standard - Regular & Preferred and Jumpers With Weaves - Regular & Preferred Classes only) as listed in the AKC Rottweiler Award Reports. The winner's name of this award will be taken from the ARC National Specialty Supplement.

RESERVE HIT This is counted at the ARC National Specialty - Armetale Day ONLY. A Reserve HIT win is calculated as minus 2 points from the shows total entry (Standard - Regular & Preferred and Jumpers With Weaves - Regular & Preferred Classes only) as listed in the AKC Rottweiler Award Reports. The winner's name of this award will be taken from the ARC National Specialty Supplement.

AGILITY - FAST & TIME 2 BEAT

The American Rottweiler Club does not calculate statistics for the Agility FAST, Time 2 Beat Classes, nor Premier classes. These classes will not be eligible for either the High In Trial or Reserve High In Trial at the ARC National Specialty, nor will the number of entrants be used to calculate the total number of entries for the High In Trial and Reserve High In Trial awarded to Agility - Standard and/or Jumpers with Weaves.

CARTING

2024 TOP ROTTWEILERS

CARTING: SINGLE & TEAM

The points for the ARC Top Dog Carting Awards are based on class placements and wins at ARC approved Carting Tests from January 1st through December 31st, as reported to the ARC Carting Coordinator. There are 6 levels of awards: Started; Intermediate; Excellent; Started-Team; Intermediate -Team; Excellent-Team. The points are calculated as follows:

PLACEMENT *The dog must place in a class, then 1 point is counted for each dog defeated in the class, i.e. if a dog was 1st in a Carting Started class that had 10 entries, the dog would earn 9 points - 10 total class entries minus 1 (dog itself).*

HIGH IN TRIAL *A HIT win is calculated as minus 1 point from the test's total regular entry as reported to the ARC Carting Coordinator.*

RESERVE HIT *This is counted at the ARC National Specialty - Armetale Day ONLY. A Reserve HIT would be calculated as minus 2 points from the test's total regular entry as reported to the ARC Carting Coordinator.*

TEAMS *A team counts as one entry.*

JUDGING THE 2025 AMERICAN ROTTWEILER CLUB NATIONAL SPECIALTY

By: Lew Olson

The 2025 American Rottweiler Club National has concluded, and what a privilege it was to serve as the judge for dogs, bitches, and Intersex categories. This exciting event took place on June 26th and 27th at the beautiful Roberts Center in Ohio. In my role as judge, I focused on identifying Rottweilers that exhibited balanced proportions with a just slightly longer than tall frame (9-10). It was essential that the dogs demonstrated both good reach and drive, coupled with a recognizable working attitude. The ideal Rottweiler should convey athleticism, robustness,

power, and exceptional endurance. The spacious ring at the venue was perfect for assessing these qualities, allowing each dog to move at least twice around the ring, for a thorough evaluation. After individually examining each participant, they were moved again, followed by the entire group moving together. This comprehensive process allowed for a detailed observation of each dog's merits. Overall, the event was a fantastic showcase of the breed's qualities and an unforgettable experience. During the Adult Bred by Exhibitor class, I encountered a male Rottweiler that embodied nearly all the attributes I was seeking. His appearance, proportions, and movement perfectly exemplified the Rottweiler type I had in mind. He demonstrated an excellent combination of power and grace, with a robust build and balanced proportions that reflected the ideal standards. His movement was fluid and confident, demonstrating impressive reach and drive. Selecting him as my Winners Dog was an easy decision; he truly stood out as exemplary. In the judging of the bitches, I noticed an overall higher quality compared to the males. When I reached the Adult Female Bred by Exhibitor class, I encountered a stunning female Rottweiler who not only matched my Winners Dog but surpassed him in breed type and movement. Shown by the same skilled handler as the Winners Dog, this female maintained impeccable form and function, regardless of speed—a stark contrast to other exhibitors who allowed their Rottweilers to lose form by moving too quickly. Additionally, in the American Bred class, I discovered another exemplary female. Her movement was effortlessly fluid, covering significant ground with minimal steps, which is a hallmark of superior breed characteristics. Ultimately, the Bred by [Exhibitor] bitch earned the title

of Winners Bitch due to her outstanding qualities, while the American Bred female was awarded Reserve. Both were exceptional representations of the Rottweiler standard. The Best of Breed competition took place on the second day, presenting an impressive lineup of outstanding Rottweilers. As the judge, my task was to narrow down the field to select the BOB, BOW, BOS, two Selects, and seven Awards of Merit. Watching these magnificent dogs move together in the spacious ring was truly exhilarating. During the final go around, the Winners Bitch stood out with her ability to cover the

most ground effortlessly while maintaining her energy and exhibiting excellent breed type. For me, she was the natural choice for Best of Breed, Best of Winners and Best Bred By Exhibitor. The Winners Dog, closely similar in type, endurance, and movement, was awarded Best of Opposite Sex. It was immensely gratifying to hear the crowd express their approval with enthusiastic applause and cheers for the winners. Both veteran dogs, male and female, displayed remarkable quality, moving effortlessly in the large ring. Additionally, the Best Puppy was a standout, possessing impressive structure and breed type, making it an easy choice for the title. My select bitch moved very well and had lovely breed type. She would have been next in line for the breed. After the judging concluded, I learned of two significant firsts for the American Rottweiler National: My Best of Breed winner came all the way from the UK and had a natural tail, a reflection of the UK's prohibition on docking. Adding to this remarkable story, the Winners Dog and Best of Opposite was her son, showcasing an impressive lineage. This certainly added an extra layer of excitement to the event.

I was deeply honored that the membership voted to select me to judge the 2025 American Rottweiler Club National Specialty, and I also wish to thank and acknowledge my superb Ring Steward, Becky Summer. It was a truly memorable experience I will treasure for a lifetime.
