

American Rottweiler Club

Breed Standard Evaluation (BSE)

Approved ARC BSE Evaluator/Judge

If your Club is planning on holding an ARC Breed Standard Evaluation (BSE) , please contact the ARC Breed Standard Evaluation (BSE) Committee Chair or Assistant Chair for ARC board approval:

ARC BSE Chairperson; Robert Galusha, Chair: robertgalusha@hotmail.com
Susi Metzner, Assistant Chair: arcassistantsusi@gmail.com

Guidelines to become an ARC approved Temperament Evaluator/Judge for the BSE

- New Evaluator/Judge candidates must submit an ARC BSE Evaluator/Judge Application to the ARC BSE Committee for ARC Board approval.
- Once accepted, candidates will be referred to as “BSE Evaluator/Judge Student” as they will be studying from an established Temperament Evaluator/Judge (Shadowing process).
- BSE Evaluator/Judge Students will be expected to work 1-4 ARC BSE’s (depending on previous breed experience) and will work from set up to post-test meeting.
- During their apprenticeship, they will be put on the field to test with an established Evaluator/Judge. Students must exhibit assured competency during the BSE testing as an Evaluator/Judge.
- Once approved by the ARC BSE Committee, the BSE Evaluator/Judge Student will be approved by the ARC board of Directors before being announced as official BSE Evaluator/Judge.
- The BSE Committee Chair will maintain an attendance record of BSE Evaluator/Judge Students and Established Evaluator/Judges.
- Wicket, head measurement tool (Kopfmass), microchip reader and eyechart are mandatory to work as an Evaluator/Judge
- ADRK judges are already predetermined as ARC BSE Evaluator/Judges due to being recognized as Rottweiler breed experts and architects of the BSE through the ADRK World Family.
- ARC BSE Committee Chair and Assistant Chair are BSE Evaluators. They are responsible for the Integrity of the Evaluator/Judge program and ensuring the Student is completely qualified to Evaluate/Judge the trial and are well versed with all the measurement tools and rules of the program.
- Other than Approved Foreign Judges, individuals requesting to become an ARC BSE Evaluator/Judge should be ARC Members.

It is the goal of the ARC BSE Committee to the success of this program to have plenty of Evaluator/Judges to choose from. The committee has received applications for AKC Judges to be qualified for Evaluator/Judge status. Once they are approved with the ARC Board, the list will be immediately updated.
